2211 Alaskan Way, Seattle, WA 98121

20th Annual Auction & Dinner

Thursday, April 20th, 2023

Cocktails start at 5:00 PM

Support from businesses like yours is critical to the success of our programs and our overall mission. Your sponsorship will make this year's event our most successful yet for Northwest wildlife and wildlands.

For 20 years, Conservation Northwest's annual Hope for a Wild Future Auction & Dinner has been one of Seattle's premier fundraising events. We bring together 300 of our region's top conservationists, philanthropists, and local business and community leaders each year. Your sponsorship would be an influential part of an evening of exciting live paddle raises, a multi-week online silent auction, and presentations from the Northwest's top conservationist leaders. This event brings in more than \$400,000 to support innovative conservation programs throughout Washington and lower British Columbia.

Known for our collaborative, pragmatic, and results-driven approach, Conservation Northwest has protected critical habitats, connected significant landscapes, and restored iconic wildlife like wolves, wolverines, and lynx for more than 30 years. Through sponsorship, you will support one of the Northwest's leading conservation organizations and invest in the future of the lands and animals we share.

WHAT YOU CAN DO

to keep the Northwest wild

Your financial support will go towards Conservation Northwest and help reach these goals:

- Raise money to fund field programs.
 - Create a meeting space for Conservation Northwest's top contributors and new supporters.
 - Spread awareness for conservation efforts in the community.
 - Promote new projects and directions.
 - Engage local partnerships to support the mission of Conservation Northwest and local conservation efforts.
